WHO IS GOD?

God introduces Himself in the beginning of His book, the Bible, this way, **"In the beginning God created the heaven and the earth"** (GENESIS 1:1).

God tells us that He is the great Creator, who created all things including all mankind. God is eternal which means that He always was, He is and He always will be. He had no beginning and He will have no end.

God is personal and wants a relationship with mankind whom He created. God created men and women, boys and girls, to worship Him, to love Him and to obey Him. But the first man and woman disobeyed God and chose to walk

in their own path and not the Creator's Path, rebelling against the Creator. When they sinned, all people became sinners in God's eyes. The Bible tells us, **"For all have sinned, and come short of the glory of God"** (ROMANS 3:23), and, **"There is none righteous, no, not one"** (ROMANS 3:10).

Sin brings much sorrow to the heart of God. Sin can **never** be allowed into Heaven where God lives. God is holy and must judge men and women for their sins. He is also merciful and He made a way that men and women could be saved from this judgment.

The Creator is a God of love. He loves us so much that He sent His own Son Jesus

to die on the cross for our sins. Jesus had no sin and therefore He could take the judgment meant for our sins.

Jesus Christ is the eternal Son of God. Jesus was with God right from the beginning because He is God. From eternity to eternity, He is God.

Each one who accepts God's gift of forgiveness, through Jesus Christ, will be with Him in Heaven forever.

**For God so loved the world,
that He gave His only begotten Son,
that whosoever believeth in Him
should not perish,
but have everlasting life.** JOHN 3:16
